 - NCMEC's online safety education program. Provides age-appropriate videos and activities to help teach children (K-12) be safer online with the goal of helping children to become more aware of potential online risks and empowering them to help prevent victimization by making safer choices on- and offline.
 - Also has guides and tip sheets for parents and teachers to help start the difficult conversations.
 - KidSmartz: <https://www.missingkids.org/education/kidsmartz>
 - NCMEC's child safety program that educates families about preventing abduction and empowers kids in grades K-5 to practice safer behaviors. This program offers resources to help parents, caregivers, and teachers protect kids by teaching and practicing the 4 Rules of Personal Safety using classroom lessons, at-home lessons, parent tips, and fun printable activities.
